

Arbuiso Teaching Schedule I am in my room 9 periods a day, I am ALWAYS available to help you with chemistry. The empty white boxes below mean I am waiting for you to come in for help.

Come in and get help whenever you want, you will not be bothering me.

You can join into any class that you want, if you have a free period. Call me for help: 727-3865

You can text but I am not too good at that, I'll probably call you back.
